Part A Admissions for Reception

Introduction

1. This policy may be amended in writing at any time by agreement between the Secretary of State and the Academies Trust. Where there is a proposed change in admission arrangements the Trust will consult on these proposals.
2. The Academies Trust will act in accordance with, and will ensure that the Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code and the School Admission Appeals Code published by the Department for Education and Victorious Academies Trust (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or law to “admission authorities” shall be deemed to be references to the Board of the Academies Trust.
3. Notwithstanding paragraph 2 above, the Academies Trust will take part in the Admissions Forum set up by Tameside MBC and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by Tameside MBC and the local in-year fair access protocol.
4. Notwithstanding any provision in this Agreement, the Secretary of State may:
 - a) Direct Victorious Academies Trust to admit a named pupil to Inspire Academy, Ashton under Lyne on application from a local authority. Before doing so the Secretary of State will consult the Trust.
 - b) Direct Victorious Academies Trust to admit a named pupil to Inspire Academy, Ashton under Lyne if the Trust has failed to act in accordance with this policy or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes.
5. The Trust shall ensure that parents and ‘relevant children’ will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Academies Trust. The Independent Appeal Panel will be independent of the Trust. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

6. The Trust shall prepare guidance for parents and relevant children about how the appeals process will work and provide them with a named contact who can answer any enquiries they may have about the process. The Trust may, if it chooses, enter into an agreement with a local authority or any other organisation for it to recruit, train and appoint appeal panel members, and to arrange for the process to be independently administered and clerked.
7. In the paragraphs above, 'relevant children' means children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the Academy. The Trust therefore will provide places for children in the September following their fourth birthday and if they are refused a place they have the right of appeal to an independent appeals panel.

Procedure for admitting pupils to Inspire Academy

Admission Number

25. The Academies Trust has an agreed admissions numbers for Inspire Academy for the year **2019 / 2020** of 60 pupils in Reception, and, subject to any changes approved or required by the Secretary of State, for subsequent years. The Academy has an agreed admissions number of 60 pupils per year up to Year 6 and the Academy will therefore admit 60 pupils in the relevant age group each year if sufficient applications are received.

26. In any specific year, the Trust may set a higher admission number than 60 the agreed admission number for an applicable year group at Inspire Academy. Before setting an admission number higher than its agreed admission number, the Trust will consult those listed at paragraph 9. Pupils will not be admitted in any year group above the published admission number for that year group unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

Process of Application for Reception

27. Arrangements for applications for places at Inspire Academy will be made in accordance with the Tameside MBC's co-ordinated admission arrangements and will be made on the through the on-line Common Application process provided and administered by Tameside MBC. The process can be accessed here <http://tameside.gov.uk/admissions>
28. The Trust will use Tameside MBC's timetable for applications to Inspire Academy, each year (exact dates within the months may vary from year to year). This will fit in with the indicative timetable below for the co-ordination of admission arrangements within Tameside MBC, to be agreed by the Admission Forum:
- a) By **September** - The Trust will publish in the Inspire Academy prospectus information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2018 for admission in September 2019). This will include how to find out the details of open evenings and other opportunities for prospective pupils and their parents to visit the Academy. The Trust will also provide information in relation to Inspire Academy to Tameside MBC and other relevant local authorities' for inclusion in the composite prospectus, as required;
 - b) **September/October** - The Trust will provide opportunities for parents to visit the Academy;
 - c) **October** – the on-line Common Application process to be followed. The process can be accessed here <http://tameside.gov.uk/admissions>.

The national closing date for applications are as follows:

- a) 31 October for secondary applications; and
- b) 15 January for Primary applications.

Victorious Academies Trust and Inspire Academy will ensure its application processes enable parents to apply before these deadlines.

29. Where fewer applicants than the published admission number for the relevant year groups are received, the Trust will offer places at the Academy to all those who have applied.

Procedures for admission where Inspire Academy is oversubscribed

30. Where in any year the Academy receives more successful applications for places than there are places available the following criteria will apply:

(i) Looked after Children or children who have previously been looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

(ii) Children and families with exceptional medical or social needs and / or SEN.

Written evidence must be provided by a suitably qualified professional – e.g. a GP or consultant for medical needs, or a social worker for social needs – the information must confirm the exceptional medical or social need and demonstrate how the specified school is the only school that can meet the defined needs of the child. A panel of Governors made up from the Academy's Local Governing Board will make a decision as to whether to admit a child under this criterion, using the evidence provided. Parents and carers are responsible for providing all information in support of an application by the closing date, the Academy will not ask for additional information. All information provided will be treated in the strictest confidence.

(iii) Siblings

This will apply where there are brothers or sisters attending the Academy at the time of application, and who will be still be attending at the time of admission – the September when a pupil goes into Reception. Preference will be given to children living nearest to the Academy.

The sibling criterion includes natural brothers/sisters, half-brothers/sisters, step-brothers/sisters, adopted brothers/sisters, brothers/sisters of fostered children, children of the parent/carer's partner. In each case they must be living at the same address. This allows for the admittance of children whose siblings will still be attending the preferred school.

(iv) All other applications on distance

Preference will be given to pupils living nearest to the Academy, taking into account ease of access to, and distance from, alternative schools.

Ease of access will be considered when parents provide details of particular reasons which mean their child could reach the nearest school but would face a disproportionately long journey to another school if denied admission to their nearest school. Details must be provided on the on-line form.

Definitions for admissions arrangements

Unless stated otherwise in the admissions arrangements, which can be obtained in full from the school or the Tameside Council website here <http://tameside.gov.uk/admissions> - the following definitions will apply:

Definition of distance

Distance will be measured as a straight line from the child's home address, using the address point assigned by the National Land and Property Gazetteer, to the main gate to the school property. Measurements will be made using the local authority's school admissions data mapping software, which uses a geographical information system based on the Ordnance Survey.

Home address

The address from which distance will be measured is the permanent residential address (at the time of application) of the parent with whom the child normally lives. Where parents have shared responsibility – the child lives with each for part of the week – the home address is the one from which the child travels to the Academy the most during a week. If the number of days is equal, the home address will be that of the parent who receives the child benefit.

Tie-breaker

If the Academy is over-subscribed within any of the criteria, priority will be given to those children living nearest to the Academy. In the event of distances being the same for two or

more applicants, where the distance would be the last place(s) to be allocated, the place will be allocated to the pupil that is nearer using walking distance as measured using the local authority's school admissions data mapping software.

In cases where twins, triplets, or other multiple birth siblings are split when allocations take place, they will be allocated a place over the published admission number and will remain excepted pupils for the time they are in an infant class or until the class numbers fall back to the current infant class size limit. The Council's policy is to admit children into the Reception year in the September following their fourth birthday.

7

31. In the first instance admissions and appeals for Inspire Academy will be managed by Tameside MBC on the Trust's behalf.

Operation of waiting lists

32. Inspire Academy will operate a waiting list until the end of the first term after the start of the school year. This will be maintained by Inspire Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list. Any child that is unsuccessful at their first assessment can request a second chance in the assessment process, within an agreed time limit.
33. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria set out above. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Arrangements for admitting pupils to other year groups, including to replace any pupils who have left Inspire Academy

34. Local authorities will co-ordinate admissions for in-year applications and for applications for year groups other than the normal point(s) of entry. This will not affect the Academies' right to determine which applicants have priority for admission.
35. Subject to any provisions in the LA's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, Inspire Academy will consider all such applications and if the year group applied for has a place available, admit the child unless one of the permitted reliefs applies. If more applications are received than there are places available, the oversubscription criteria shall apply. Parents whose application is turned down shall be entitled to appeal. Parents shall only be entitled to appeal once in any academic year.

Arrangements for Admission of students as Inspire Academy builds to its full capacity

36. Inspire Academy opened in September 2015 with a Published Admission Number of 60 relating solely to pupils in Reception.
37. Information about the Trust can be found on the website at www.victoriousacademies.org, about Inspire Academy at www.inspireacademyashton.org or telephone 0161 339 7822.

Part B Admissions to Nursery

1. Definition

This policy was written with reference to Statutory Guidance for Local Authorities on the Delivery of Free Early Education for Three and Four Year Olds and Securing Sufficient Childcare. (September 2014). The Local Governing Board will follow this policy so as to ensure consistency for parents in applying for nursery places.

2. Purpose

The policy follows Tameside MBC's Nursery Education Policy, the purpose of which is:

- To provide clear guidance for the Local Governing Board at Inspire Academy on Nursery Admissions; and
- To ensure a consistent approach to Nursery Admissions.

3. Entitlement to Nursery Education Places

All children are entitled to a free part-time nursery education place. That entitlement is from the term **after** their third birthday. However, provision is made by a range of providers and the local authority aims to provide places in the year before they enter Reception. Some places may be available for three year olds in the term after their 3rd birthday if there are places available.

From September 2013 each child is entitled to a maximum of 15 hours free early years education per week from the term following their third birthday. This entitlement can be delivered flexibly by a school (where it is able to do so and in response to parental demand). If the free entitlement is taken flexibly, it must be no less than two and a half hours per session and no more than 10 hours per day. The full 15 hours entitlement should be over no fewer than 2 days.

4. Roles and Responsibilities

The Local Authority will:

- distribute Tameside's policy for nursery admissions to all appropriate Governing Boards;
- provide schools with a standard nursery admissions application form;
- disseminate information about nursery education providers via the Family Information Service;
- provide guidance and support for Governing Boards offering Nursery provision;
- publish timescales for Nursery Admissions annually; and
- measure distances by request.

The Local Governing Board will:

- keep a record of all parents expressing an interest in a nursery place for their child;
- send out application forms to parents of children, who have expressed an interest according to Tameside MBC's timescales;
- make it clear on all correspondence to parents that a place in nursery does not guarantee a place in Reception at Inspire Academy;
- inform parents in writing of an offer or a refusal according to Tameside MBC's timescales; and
- provide copies of the following leaflets/factsheets to parents who have been refused a place:
 - Free entitlement funding – Directory;
 - Admissions to Nursery Classes; and
 - How to claim your free early education place.

Parents / carers are expected to:

- register their interest in a particular school Nursery by contacting that school or Academy;

- complete and return an application form according to given timescales; and
- confirm acceptance of a place.

5. Allocation of nursery places

Places will be allocated to Tameside MBC residents who will be 4 years old between 1 September 2019 and 31 August 2020 in the first instance. Places will be allocated by a panel from the Local Governing Board.

9

Places would be offered to children who will become 4 years old between 1st September 2019 and 31st August 2020 (and therefore born between 1st September 2015 and 31st August 2016).

Where Inspire Academy receives less applications from Tameside MBC residents who will be 4 years old between 1 September 2019 and 31 August 2020 than there are places available, all must be offered places. When Inspire Academy receives more applications from Tameside MBC residents who will be 4 years old between 1 September 2019 and 31st August 2020 than there are places available, the following over subscription criteria will be applied in order:

- 1 Looked after Children or children who have previously been looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.
- 2 Children with Exceptional Medical Needs or Social Needs and / or Special Educational Needs - Written evidence must be provided from a doctor or other agency that he/she has exceptional needs which means that admission to a particular school nursery is essential. A panel from the Local Governing Board will make a decision as to whether to admit a child under this criteria using the evidence provided. All information provided will be treated in the strictest confidence.

It is anticipated that the total number of children allocated places according to these criteria would form only a small proportion of the total number of children attending the Nursery.

- 3 Siblings - This will apply where the applicant is 4 years old by 31st August 2020 and has brothers or sisters attending Inspire Academy at the time of application, who will still be attending at the time of admission. Within the sibling tiebreaker, preference will be given to pupils living nearest to Inspire Academy.
The sibling criterion includes; natural sisters/brothers; half-sisters/brothers; step sisters/brothers; adopted sisters/brothers; sisters/brothers of fostered children, and in each case living at the same address. This allows for the admittance of children whose siblings will still be attending Inspire Academy.
- 4 Age - Priority will be given to children in the following order:
 1. Children who will be 4 years old by 31st December 2019;
 2. Children who will be 4 years old by 31st March 2020;
 3. Children who will be 4 years old by 31st August 2020.

Where over subscription occurs in applying the above criteria, a tiebreaker will be applied to all applications remaining within the criteria. Priority will be given to applicants who live closest to Inspire Academy.

Distance will be measured as a straight line from the child's home address to the main gate to the Academy property using the Tameside MBC's school admissions data mapping software, which uses a Geographical Information System based on Ordnance Survey.

The address from which distance will be measured will be the permanent residential address, at the time of application, of the parent with whom the child lives. Where a child lives with parents with shared responsibility, each for part of a week, the home address is the address from which the child will travel to nursery for the majority of nursery days per week. If the number of days is exactly equal the home address will be that of the parent who receives the Child Benefit.

10

In the event of distances being the same for 2 or more applications where this distance would be the last place/s to be allocated, the place will be allocated to the pupil that is nearer using walking distance as measured using TMBC's school admissions data mapping software.

6. Allocating places to Tameside resident children applying after the main allocation procedure has been completed

When Inspire Academy still has nursery places available after the main allocation process has been completed, the Local Governing Board may offer places to subsequent applicants on a 'first come first served basis', as long as that child is of the correct age i.e. will become 4 years old between 1st September 2019 and 31st August 2020 (and therefore born between 1st September 2015 and 31st August 2016) and lives in Tameside MBC. Should a Tameside MBC resident parent request a place after the allocation process and the Academy has places available, a place would normally be offered.

7. Waiting Lists

When Inspire Academy has allocated all its nursery places, it may operate a waiting list. If a place becomes available, it may be allocated to a child on the waiting list according to the over subscription criteria.

8. If Inspire Academy still has nursery places available after the summer half term 2019, the following will apply

Offering places to children who do not live in Tameside MBC. Where Inspire Academy still has nursery places available after the summer half term preceding the September that applicants wish to be admitted, these may be allocated to children who do not live in Tameside MBC and who will become 4 years old between 1st September 2019 and 31st August 2020 (and therefore born between 1st September 2015 and 31st August 2016), according to the over subscription criteria.

9. If Inspire Academy still has nursery places available after the start of term in September 2019, the following may apply

Offering places to children who will become 3 years old between 1st September 2019 and 31st December 2019 who live in Tameside. The Local Governing Board may decide that it will offer empty places to Tameside MBC resident pupils who will become 3 years old between 1st September 2019 and 31st December 2019 if there are still places available after the start of term in September 2019. Pupils will not be able to start in the Nursery until the beginning of the term **after** they become 3 i.e. January 2020 at the earliest. Pupils accepted into the Nursery in this category will not be required to apply for a place in September 2020 as they will automatically continue in the Nursery. Places will be offered using similar criteria as for the main allocation:

- immediately after being looked after became subject to an adoption, residence, or special guardianship order.
- 2 Children with Exceptional Medical Needs or Social Needs and / or Special Educational Needs.
- 3 Age - Children who will be 3 years old by 31st December 2019 to start in January 2020.

Tiebreaker - Siblings and Distance - Where over subscription occurs in applying criteria 1, 2 or 3; a tiebreaker will be applied to all applications remaining within the criteria. Priority will be given to applicants who have a sibling in the Academy at the time of admission followed by applicants who live closest to the Academy.

10. If Inspire Academy still has nursery places available after the start of term in January 2020, the following may apply:

Offering places to children who will become 3 years old between 1st January 2020 and 31st March 2020 who live in Tameside. The Local Governing Board may decide that it will offer empty places to Tameside resident pupils who will become 3 years old between 1st January 2020 and 31st March 2020 if there are still places available after the start of term in January 2020. Pupils will not be able to start in the nursery until the beginning of the term **after** they become 3 i.e. after Easter 2020 at the earliest. Pupils accepted into the Nursery in this category will not be required to apply for a place in September 2020 as they will automatically continue in the Nursery. Places must be offered using similar criteria as for the main allocation:

- 1 Looked after Children or children who have previously been looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order.
- 2 Children with Exceptional Medical Needs or Social Needs and / or Special Educational Needs.
- 3 Age - Children who will be 3 years old by 31st March 2020 to start after Easter 2020.

Tiebreaker - Siblings and Distance

Where over subscription occurs in applying criteria 1, 2 or 3, a tiebreaker will be applied to all applications remaining within the criteria. Priority will be given to applicants who have a sibling in Inspire Academy at the time of admission followed by applicants who live closest to the Academy.

Parents do not have the right of appeal against the decision of the Local Governing Board to refuse admission to the Nursery.

Attendance at the Nursery does not guarantee a place in Reception at Inspire Academy.

Part C In year admissions and transfers

- 1. Pupils wishing to transfer to Inspire Academy must apply through Tameside Council even if you live in another area. If you want to apply for a school in another area, you will need to contact that area for further details of what you need to do.
- 2. If you are moving into Tameside or you wish to pursue a transfer, forms can be obtained from the school you are wanting to move from or to or you can [download a Primary School Transfer Form](https://www.tameside.gov.uk/schools/primarytransfers) from <https://www.tameside.gov.uk/schools/primarytransfers>.

3. Please complete the form fully, otherwise it may be returned for more information which will delay the process. Once you have fully completed the form please send it to the address on the form. This cannot be done electronically.
4. Parents will receive an offer of a school place through Tameside Council and this can take up to 20 school days.
5. On receipt of this letter school will contact the parents to arrange a pre admission meeting and visit to ensure that all relevant information is shared before a start date is given.
6. Should further information need to be sought from other agencies involved with the family, this will be done in a timely manner and with a two week period. Further meetings with the family may be required.
7. Once all information is gathered a start date will be established.

Part D In Year Fair Access Protocol.

1. All local authorities have a Fair Access Protocol for in year transfers that ensures the speedy admission of pupils who may experience difficulty in being allocated a school place, for example, if they have been out of school for a long period of time. With specific short term exceptions, all schools in Tameside are participants in the protocol, which may result in schools admitting pupils over their published admission number.
